

01MWp

ON-GRID ROOF-TOP SOLAR PROJECT

Annual Average Generation 1,302,248kWh
Total Generation 26,044,960kWh for 20
Years Project Lifetime
Required Area 100,000 Square Feet

Product Detail

- 01MWp Polycrystalline Solar Photovoltaic Module
- 15 Pieces 70KW Three Phase On-Grid String Inverter
- Mounting Structure, Cable, Protecting & Monitoring Devices and Other Accessories will be selected according to design.
