

100KWp

ON-GRID ROOF-TOP SOLAR PROJECT

Annual Average Generation 130,224kWh
Total Generation 2,604,496kWh for 20
Years Project Lifetime
Required Area 10,000 Square Feet

Product Detail

- 100KWp Polycrystalline Solar Photovoltaic Module
- 02 Pieces 50KW Three Phase On-Grid String Inverter
- Mounting Structure, Cable, Protecting & Monitoring Devices and Other Accessories will be selected according to design.
