

**70KWp**

## ON-GRID ROOF-TOP SOLAR PROJECT

**Annual Average Generation 91,157kWh  
Total Generation 1,823,147kWh for 20  
Years Project Lifetime  
Required Area 7,000 Square Feet**

### Product Detail

- 70KWp Polycrystalline Solar Photovoltaic Module
- 01Piece 70KW Three Phase On-Grid String Inverter
- Mounting Structure, Cable, Protecting & Monitoring Devices and Other Accessories will be selected according to design.
