

50KWp

ON-GRID ROOF-TOP SOLAR PROJECT

**Annual Average Generation 65,112kWh
Total Generation 1,302,248kWh for 20
Years Project Lifetime
Required Area 5,000 Square Feet**

Product Detail

- 50KWp Polycrystalline Solar Photovoltaic Module
- 01 Piece 50KW Three Phase On-Grid String Inverter
- Mounting Structure, Cable, Protecting & Monitoring Devices and Other Accessories will be selected according to design.
