

40KWp ON-GRID ROOF-TOP SOLAR PROJECT

Annual Average Generation 52,090kWh
Total Generation 1,041,800kWh for 20
Years Project Lifetime
Required Area 4,000 Square Feet

Product Detail

- 40KWp Polycrystalline Solar Photovoltaic Module
- 01Piece 40KW Three Phase On-Grid String Inverter
- Mounting Structure, Cable, Protecting & Monitoring Devices and Other Accessories will be selected according to design.
