

06KWp ON-GRID ROOF-TOP SOLAR PROJECT

Annual Average Generation 7,813kWh
Total Generation 156,269kWh for 20
Years Project Lifetime
Required Area 600 Square Feet

Product Detail

- 06KWp Polycrystalline Solar Photovoltaic Module
- 01Piece 06KW Single Phase On-Grid String Inverter
- Mounting Structure, Cable, Protecting & Monitoring Devices and Other Accessories will be selected according to design.
