

**03KWp**

## ON-GRID ROOF-TOP SOLAR PROJECT

Annual Average Generation 3,907kWh  
Total Generation 78,135kWh for 20  
Years Project Lifetime  
Required Area 300 Square Feet

### Product Detail

- 03KWp Polycrystalline Solar Photovoltaic Module
- 01Piece 03KW Single Phase On-Grid String Inverter
- Mounting Structure, Cable, Protecting & Monitoring Devices and Other Accessories will be selected according to design.
